

Wipro wins the GLOBAL MAKE 2005 Award.

November 22, 2005

Bangalore : Wipro has been presented the Global MAKE (Most Admired Knowledge Enterprises) 2005 award, a global recognition in the area of knowledge enterprise. The award is the result of the the MAKE study, that was conducted by Teleos in association with The KNOW Network. This year, Wipro has won the MAKE 2005 awards at every level –the India and the Asia level and now has made it to the global list of MAKE awardees.

A panel of Global Fortune 500 senior executives and internationally recognized knowledge management experts chose the 2005 Global MAKE Winners. The panel rated organizations against a framework of eight key knowledge performance dimensions which are the visible drivers of competitive advantage and intellectual capital growth. The 8 knowledge performance dimensions which are the basis of the MAKE framework include creating an enterprise knowledge-driven culture, developing knowledge workers through senior management leadership, delivering knowledge-based products/solutions, maximizing enterprise intellectual capital and creating an environment for collaborative knowledge sharing.

Teleos , an independent knowledge management and intellectual capital research company, administers the Most Admired Knowledge Enterprises (MAKE) study program. The KNOW Network - <http://www.knowledgebusiness.com> - is a Web-based global community of organizations dedicated to networking, benchmarking and sharing best knowledge practices leading to superior organizational performance.
