commercial interiors
Recess mounted circular LED downlighter

SPECIFICATIONS

- Pressure Die cast aluminium housing
- High efficacy LEDs
- High Transmitivity Diffuser
- Specially designed, easy to install mounting clips
- Driver and accessories are pre-wired

INSTALLATION

- Provision for mounting with the help of specially designed mounting clips

All dimensions are in mm. Tolerance 2 mm+

Cutout Dimension: Ø165mm

APPLICATIONS

Helix LED LD 91 65 stands for 6500K. Replace 65 with 40 to get 4000K.

LED is an ever improving and evolving technology. Wipro is committed to bring you the best in LED technology. Data given is representative and can change.

**SPECIFICATIONS**

- Pressure die-cast aluminium housing
- High transmitivity PC diffuser
- Specially designed, easy to install mounting clips
- Integrated driver & accessories pre-wired
- High efficacy LEDs
- IS 10322 part5/Sec 1 1987 comply

*Other colour temperatures available on request.

**INSTALLATION**

- Provision for mounting with the help of specially designed mounting clips

**APPLICATIONS**

- High performance with >95 lumens/W system efficiency
- Glare-free good quality lighting creating cheerful environment
- Specially designed housing ensuring effective thermal management & long service life

Redefine your workspaces with better illumination and higher savings

**INGRESS PROTECTION**

- IP20

LED Swivel Projector | LD 59

Circular adjustable/rotatable downlight luminaire

Applications

- Swivel projector
- Gimball projector

Specifications

- Aluminium die-cast construction with white powder coating
- Clear safety glass
- High power high lumen output COB LED
- High efficiency reflector optics
- Rotatable upto 360° and adjustable upto 45°
- Effective thermal management using aluminium casting

Installation

- Provision for mounting with the help of mounting clips with springs for ease of installation and maintainence
- Suitable for mounting in POP, Gypsum board and any other false ceiling

Dimension Drawings

- Cutout: 110 mm Height: 75 mm
- Cutout: 140 mm Height: 120 mm
- Cutout: 165 mm Height: 185 mm

Beam angles - 16°, 24°, 36°, 60°

All dimensions are in mm. Tolerance + 2 mm
