
Today, minds that generate great ideas are nestled in the comfort of modern offices. Our AXEON range of linear lighting solutions is thoughtfully designed to elegantly light up any workspace.

This range is an architect’s delight and can reinvent any space by adding a touch of sophistication and seamlessly blending in with the interiors of your choice. With multiple products catering to every lighting need, the AXEON LED range is created to illuminate contemporary workspaces.
Looks good, does good.

The AXEON LED range comes with a host of benefits, that make it the perfect addition to modernise any office.

Benefits

**Faster Installation**

‘Claw’ shaped clamps with adjustable suspension bring in stability to the product with ease in horizontal and vertical product installation.

**High savings**

Excellent luminaire design along with low power consumption, contributes to 50% energy savings.

**Easy Maintenance**

Ease in accessibility helps in quicker maintenance without disturbing the product installation and linear alignment.

**Uniform light distribution**

The special High Efficiency Translucent (HET) diffuser provides wide and uniform light distribution, with the option of opting for Up-down lighting.

**Superior Aesthetics**

Superior aesthetics with excellent engineering for contemporary interiors.

**End to end connectivity**

Extruded aluminium housing with straight connector ensures seamless end-to-end connectivity without any light leakage.

Applications

- BANKS
- OFFICES
- CONFERENCES
- GREEN BUILDINGS
- HOTELS
AXEON DROP DOWN

With volumetric lighting, the Drop Down is built for spaces that thrive on efficiency.

Specifications

- Neat product look with drop down diffused light
- White powder coated finish extruded aluminium housing
- Special translucent satin finish color LED PMMA diffuser
- Low power, high efficacy long life LEDs
- Excellent heat dissipation through direct contact
- LED driver duly wired up to terminal block
- Luminaires are suitable for stand-alone and continuous installation
- Provision for loop in loop out for ease of wiring
- Conforms to IS 10322 part 5/ Sec 1 2012

Accessories

- In-built electronic LED driver
- Complete with LEDs and drivers pre-wired up to terminal block to connect incoming power
- 3 way 10Amps GFP mains connector

Installation

- Suitable for suspended and surface mounted application
- LMX 341 suitable for installation on RCC ceiling
- LMX 342 suitable for installation on modular grid Prelude 24mm ceiling system
- LMX 343 suitable for installation on modular grid Silhouette 15mm ceiling system

LED is an ever improving and evolving technology. Wipro is committed to bring you the best in LED technology. Data given is representative and can change. *57 represents 5700K, replace 57 with 40 for 4000K. Please order suspension separately. Order product code with CT for end-to-end installation.
AXEON DOWN

Down lighting provides focus in areas that need illumination.

Specifications
- White powder coated finish extruded aluminium housing
- Special translucent satin finish colour LED PMMA diffuser
- Downward light distribution
- Low power, high efficacy long life LEDs
- Excellent heat dissipation through direct contact
- LED driver duly wired up to terminal block
- Luminaires are suitable for stand alone and continuous row installation
- Provision for loop in loop out for ease of wiring
- Conforms to IS 10322 part 5/ Sec 1 1987
- Modules are suitable for 90° and 120° connectivity with linear product
- 2ft, 3ft, 4ft, 6ft and 8ft length options available

For more information, please get in touch with us at helpdesk.lighting@wipro.com

Accessories
- In-built electronic LED driver
- Complete with LEDs and drivers pre-wired up to terminal block to connect in coming power
- 3 way 10Amps GFP mains connector

Installation
- Suspension system with quick onsite adjustment
- LMX 341 suitable for installation on RCC ceiling
- LMX 342 suitable for installation on modular grid prelude 24 mm ceiling system
- LMX 343 suitable for installation on modular grid Silhouette 15 mm ceiling system
