

ImmaculateLED Trimless

RECESS MOUNTED SEAMLESS LED LUMINAIRE

Trimless bottom
frame design
for excellent
illumination

upto
50%
Energy Savings

WIPRO LIGHTING 4POINT ADVANTAGES

Light Source

Best-in-class LED technology
High efficiency, LM 80 compliant LEDs
Options in colour temperature

Driver

Specially designed for Indian power conditions
Best-in-class design and manufacturing
Complies to SELV design standards ensuring safety

Optics

Uniform and glare-free lighting
Effective light distribution ensuring high performance

Thermal Management

Special design for effective thermal management ensures long service life and consistent performance

Seamless Integration

Sleek bottom frame design of the luminaire integrates seamlessly with the ceiling creating an unobtrusive look.

Uniform Lighting

High Efficiency Translucent (HET) diffuser provides soothing and uniform lighting giving a full tile glow and enhancing visual comfort.

Long Service Life

Best-in-class LEDs with high performance LED driver deliver a long and maintenance free service life.

Higher Savings

High efficiency LEDs provide maximum light output without compromising on the quality of light saving more than 50% energy.

ImmaculateLED Trimless

RECESS MOUNTED SEAMLESS LED LUMINAIRE

Specifications

Thoughtfully designed with sleek and seamless aesthetics

White powder coated housing and front cover in CRCA Sheet

High Efficiency Translucent (HET) diffuser for better light transmission to create perfect diffusion of light

High efficacy LEDs and high performance driver

Uniform and optimum light output

Ideal for green lighting solution

Comforms to IS 10322 part 5/Sec 1 1987

Installation

Suitable for Armstrong/modular ceilings

For installation in POP ceilings, order 9180P01089 CRCA frame
