2017

Introduction of IOL™ (Internet of Lighting)

BLAZELINE™

2022

Launch of flameproof lighting - Blazeline™

Reviving landscapes with our outdoor lighting

As our world becomes increasingly illuminated, artificial lights dim the night sky. The yearning to connect with nature remains steadfast. That's why we've crafted outdoor lighting solutions that embrace the essence of the dark skies, ensuring that the brilliance of star-filled nights remains undisturbed. We invite you to explore our innovative luminaires. Here, technology and nature come together to revive the magic of the night sky, making the stars visible with our energy-conscious lighting solutions and enhance the natural beauty of landscapes.

The return of
classical influences

Introducing

Amethyst

A neoclassic range of elegant post-tops to grace modern outdoors with finesse.

In a world where modern design sensibilities are replacing everything traditional, Wipro Lighting brings alive the grandeur of the classical and the contemporary.

Amethyst offers uniform, low-glare light, optimal light output, and reliable performance that suits the Indian weather conditions perfectly, while their stunning design, with minimalist look reminds onlookers of the majestic vintage charm.

Amethyst Neo

A subtle, timeless style, and surreal in its interpretation of the most celebrated neo-classic heritage, Amethyst Neo is inspired from ancient architectural ages. Neo post-tops redefine modern-day landscapes, making the pedestrians' experience the perfect amalgamation of perennial eras.

Wattage	35W, 45W, 60W
Mounting HT	1.8 – 2.5 m
Pole Dia	Up to 76 mm
Optics	Opal

Amethyst Flora

Inspired by the unique design of beautifully blossomed petals of the bluebell flower, this fresh look enhances boulevards, adorns gardens, and other landscapes. It imparts a distinctive character with its elegance and shines like sparkling jewels at night, while embellishing the pathways with its enchanting beauty and grandeur. Flora truly makes it a gem, worth beholding forever.

Wattage	35W, 45W, 60W
Mounting HT	1.8 – 2.5 m
Pole Dia	Up to 76 mm
Optics	Opal

Features

- Aluminium die-cast housing
- IP65, dust and weather resistance
- Metal-clad PCBs
- PC diffuser
- Polyester powder coating for effective heat dissipation
- Highly advanced LEDs

Electrical data

Cat. No.	Power (W) ±10%	Rated Voltage (VAC)	Input Current (Amp)	Approx. Weight Kg ± 0.2	Case Lot (in Nos.)
