

# FOKUS+

Downlights that  
up the vibe of workspaces

# MAKING MODERN WORKSPACES COME ALIVE

We live in hybrid times where workspaces are now embracing the comfort of homes. To thrive in these ever-evolving times, Wipro Lighting provides office lighting solutions that conform to global design standards and aesthetics. We ensure that our dynamic solutions are focused on optimum safety, visual comfort, productivity, wellbeing, energy and cost efficiency.

Office lighting should create a comfortable working environment for people to be at their best, whether in high intensity collaborative spaces like meeting rooms, or more relaxed settings like cafeterias, lounges, etc. Therefore, our lights are designed to positively impact the mood of employees while adding a touch of splendour to the ambience. With optimum lighting and infinite design possibilities, we are here to transform the vibe of modern workspaces forever.

# BLENDING ART AND *FUNCTION*

A RICH SYMPHONY OF ELEGANCE AND EFFICIENCY

## FOKUS<sup>+</sup>

Well-designed rimless downlights with a wide range of combinations in optics and diffuser rings, to light up your workspaces. The entire range is specially conceptualized to enhance the look of office spaces while improving productivity at work. It's glare-free lighting solutions ensure sharp light for concentration, and a soft glow for optimum experience. With our latest Fokus<sup>+</sup> lighting solutions, we are on an odyssey to create inspiring designs, engineered to the highest standards of quality and style quotient.

# FOKUS ON PERFORMANCE PLUS COMFORT

## VISUAL COMFORT

- Better UGR
- Deep inset optics and collimator reflectors

## SLEEK AND STYLISH

- Minimalistic look with minimum mounting clips
- Clean rimless look

## EFFICIENT THERMAL MANAGEMENT

- Magwheel inspired heatsink design

## EASY INSTALLATION

- Leaf clamping
- Minimal clips

## LOWER COST OF OWNERSHIP

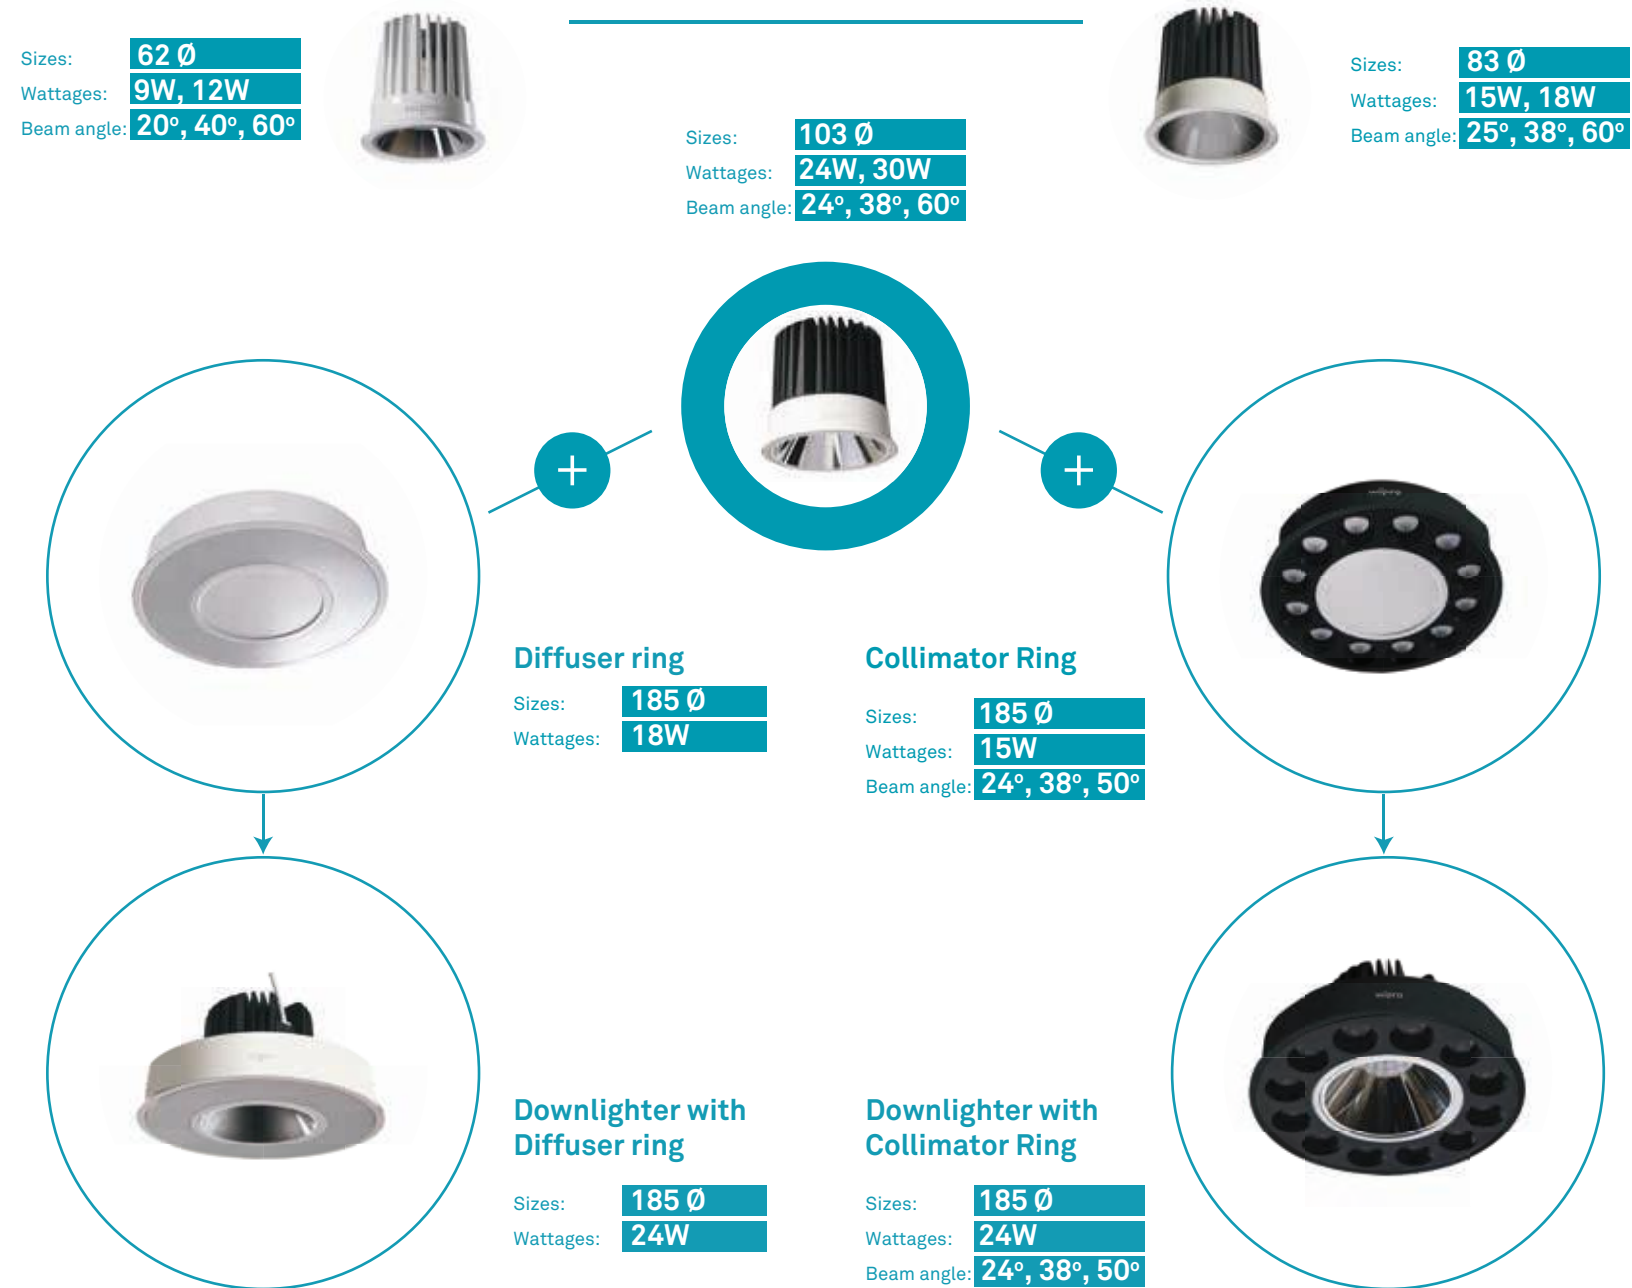

- Durable
- Lower maintenance and operating costs

## MULTIPLE LIGHT OPTIONS

- Trim: With/Without
- Optics: White/Chrome
- Rings: Diffuser/Collimator
- Shape: Round/Square

# A LIGHT FOR EVERY LOOK

## DOWNLIGHTER ( ROUND )

## TRIMLESS

## FOKUS ( SQUARE )

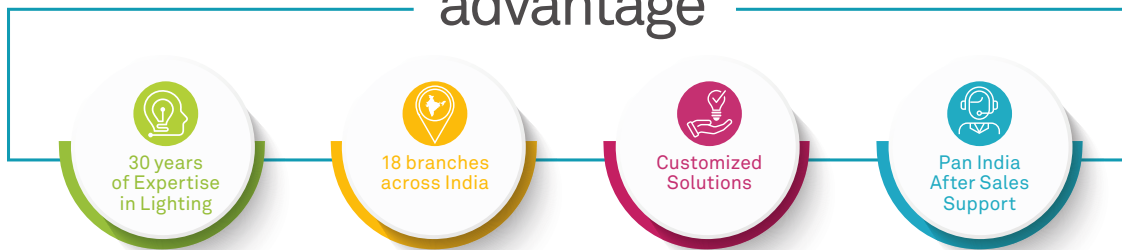

- White powder coated, pressure die cast aluminum housing, for better heat management and rust free.
- Deep inset optics and collimation ring, ensures low glare light distribution.
- HET diffuser for better and diffused light output.
- Option of different beam angles with deep inset white and silver bezel ensure Better Light Transmission.
- Easy to install, sturdy metal mounting clips, suitable for all types of ceiling systems and POP (Thickness 2mm to 19mm).
- Driver (IP20) is pre-wired up to terminal block with plug in connectors for long service life.
- High efficacy LEDs for uniform and optimum light output, ideal for Green Lighting Solution.
- Automobile inspired heat sink for better thermal management.
- Product looks aesthetically neat and clean as no visible hardware on external surface.
- IS 10322 part 5/Sec 22012 compliant, for general purpose lighting, IP20 protection against entry of insects and small particles into luminaire for safety.
