# inForm, inStyle... inCulture

Workspaces are changing and so is the work culture. The working styles of this era extend beyond boundaries of time and space. Today, ceilings have adapted an open and exposed look while the office interiors are more often designed to accommodate more spaces that encourage team work and collaboration.

***inForm*** is a collection of suspended luminaires that perfectly align to this newly developed styling and architecture. It offers multiple options in form, shapes and colours; all backed with the trust and credibility of the Wipro Brand.

## *inForm*

Elegantly designed suspended luminaire range with uncompromising and unparalleled design ethos. These allow complete freedom to define spaces, ideas and ambiances as per individual requirements with clear and trendy design.

inForm range blends perfectly into the informal language of new age collaborative spaces and open ceiling office spaces. Moreover this enables complete freedom to use light to collaborate, communicate and inspire.

**Premium cylindrical  
profile for open ceiling &  
collaborative spaces**

**Groove free clean  
cylindrical profile.**

Spectacular finish which  
adds zing to the space.

**Deep inset optics.**

Control of glare through  
precise beam and options  
of different beam angles.

**Superior matt finish  
black and white.**

Contemporary universal colour  
to enhance the interiors.

**True ceiling mount  
suspension with power cable.**

Integrated wire cum suspension  
provides clutter free look.

# VERTICA

Vertica stands out as a premium lighting solution for open ceiling spaces to create lighting effects that enrich such spaces. It adds glamour to collaborative spaces in new age offices.
