100 lm/W

Symmetric
light distribution

Light up landscapes with a stylish and durable choice

Introducing the Acorn Bollard - a lighting solution that seamlessly combines style and practicality, making it ideal for outdoor and landscape applications. This bollard enhances aesthetics and ensures increased illumination on walkways, providing uniform light across the ground surface. Acorn Bollard stands out with its remarkable durability and long-lasting performance, making it a dependable choice for outdoor spaces. Its sturdy and weather-resistant design ensures it is the perfect solution in all weather conditions.

Acorn
LED Bollard

Lighting up outdoor environments with excellence

Unparalleled performance

Pure polyester powder coating for rust prevention and weather resistance

Lightweight luminaire

Aluminium casing designed to effectively dissipate heat

Sustainable lighting

High-efficacy LEDs achieve optimum energy efficiency

Quick and effortless setup

Potted driver and accessories pre-wired up to the terminal block

APPLICATION AREAS

Pathways

Driveways

Patios

Recreation zones
